

Here it is,
**your ANWB
classification for 2019!**

The festive season will be extra festive for you this year, because the ANWB rewards your campsite in 2019 with no less than 4 stars! So in the new year you will be one of the better campsites in Europe! Your well-deserved 4 stars will be included in your listings in the campsite guide ANWB Campinggids 2019 and on anwbcamping.nl. Very useful, because Dutch campers are already spending time selecting and booking their campsites for the next season.

Download free quality mark

You can already show your guests that you are an ANWB Distinguished Campsite 2019: with the special 4-star quality mark to be used for advertisements, folders or other printed material. An easy and free download from our [portal](#).

Extra promotional material

In February 2019 we will provide you with even more opportunities to make your 4 stars shine on your campsite. So keep an eye on your inbox!

Do you have any questions or remarks following your classification? Then please reply to this email or call us during office hours on +31 (0)88 269 7113.
